

SUPPORTING OUR COMMUNITIES

GOAL TO RAISE: \$1,000,000

ABOUT US

We strive to be the best at what we do, which requires more than a single-minded focus on the bottom line. It means caring about and investing in our communities, helping those in need, and fostering a workplace environment that encourages our team members to give back to society. Not only does this benefit those we support, but it also provides substantial personal and professional development for our colleague and us.

We sponsor fundraising initiatives, donate space for charitable events, make financial contributions, and volunteer our time. We also share our experiences with our business partners and vendors, many of whom have joined us in our mission.

With this in mind, we established CPG Cares. We hope those who share our vision will join us. Together we can make a difference.

Angelo Bianco & Chris Eachus

CPG Cares Board of Directors

OUR FOCUS

The essential pillars which support a good quality life and thriving community.

Affordable Housing

Education

Youth Development

Community

Health

HOW YOU CAN HELP

Support CPG Cares in making an impact in your community by:

- Providing tax-deductible donations
- Sponsoring one of our community events

OUR STORIES

“CPG Cares has been a blessing to our family and our community. They have graciously donated to the Down Syndrome Association of Jacksonville (DSAJ) for many years. The money raised is used in north Florida to help families like ours. Our daughter has Down syndrome and we were able to connect with the DSAJ shortly after her birth.

DSAJ helps us meet other parents on the same journey to create a community and share medical advice, schooling, and create a support system. This would not be possible without the financial support of CPG Cares. I am so grateful to have their support”

Laura Hamilton
CP Group Employee

“Over 700 children enter the foster care system every single day, most are given a trash bag to carry their belongings. For many years, Lynn University has supported Comfort Cases to show children in foster care that they matter.

Many thanks go to CPG Cares who helped raise much needed funds for Lynn University’s Comfort Cases drive. The donation provided fifty individualized backpacks for children entering the foster system across the Palm Beaches”

Anna Krift
Director of Citizenship Project, Lynn University
