# OUR IMPACT IN ACTION

GRANTING LIFE-CHANGING WISHES FOR CHILDREN

Lexie Delaney's wish was to become a spokesperson for Make-A-Wish to share her message that beauty comes from within. Lexie, a young girl from Georgia, has faced incredible challenges with Treacher Collins syndrome, undergoing 168 treatments requiring anesthesia.

We are honored to have supported such a resilient, compassionate, and deserving young woman through Make-A-Wish. By fulfilling Lexie's wish, we help bring joy and hope to her and countless other children facing difficult circumstances.
