

# Making a Difference

THROUGH THE POWER OF  
COMMUNITY SERVICE

## Our mission to give back

### GETTING INVOLVED IN OUR LOCAL COMMUNITIES

CPG Cares is a charitable foundation established in 2021 with a mission to give back to the communities where CP Group operates. We focus on distributing funds to qualified charitable organizations that align with certain categories, with a focus on affordable housing, education, youth development, community, and health.

# Our approach

## FOSTERING A CULTURE OF COLLABORATION

CPG Cares awards grants to organizations that demonstrate a clear mission and strong track record of making a difference. We believe in collaborative partnerships and fostering a culture of giving within CP Group. Join us in this journey for good.

# Our impact in action

## RESTORING HOMES AND REBUILDING HOPE

For Beverley Shaw, a devoted grandmother living on a fixed income, maintaining her longtime home had become impossible. Confined to a wheelchair and serving as the sole caretaker for her grandson, she faced overwhelming challenges. What began as a simple paint project grew into a full backyard transformation.

CPG Cares partnered with local South Florida fencing, screen repair, and landscaping vendors, including Luigi's Landscaping, to replace a rotted fenceline, repair a damaged pool screen—easing Beverley's fear that neighborhood children might wander into her yard and fall into the pool—and clear invasive plants that had overtaken the property. Thanks to the generosity of our donors, Beverley and her grandson now have a safe, welcoming place to call home.
